

# Frosted Film Frames

2017 Gingerbread Construction Contest

Drawing inspirations from  
your favorite movie!

The Chaffee Art Center will once again host its Annual Gingerbread Construction Contest. This year's theme will be frosted frames. So find inspiration from the big screen to create frosted delights. Recreate the "Yellow Brick Road", "Jurassic Park" or "Death Star". Build the home of The Smurfs, Little Women, or the Minions. Make the jaws of Jaws, the body of Jabba the Hutt, or King Kong climbing the Empire State Building. Or if you are truly ambitious construct the Beast's Castle, Hogwarts, or Gotham City. Whatever movie you choose, just remember everything has to be edible.
