RUTLAND BENCHART
A COMMUNITY STREET ART PROJECT

Join us in celebrating local creative talent as we build on our region’s community spirit and economic vitality, and promote the arts!

The brochure can be used along with apps from the Downtown Rutland Partnership.

The Rutland BenchART Community Street Art Project showcases the creativity of our local artists with a sense of excitement and vibrancy within our region, welcoming visitors and the community to explore the streetscapes transformed with artist-decorated benches.

This dynamic project builds on and enhances the current art installations featuring Rutland as an artist and art enthusiast’s destination, and makes art accessible for all! As part of the project, there will be a Walking Tour Brochure of historic properties in Rutland that will also include the 42 BenchART benches, murals, Sculpture Trail, heARTs, Trains, and more.

This project is presented by: Downtown Rutland Partnership, Chaffee Art Center, and the project, there will be a Walking Tour Brochure of historic properties in Rutland that will also include the 42 BenchART benches, murals, Sculpture Trail, heARTs, Trains, and more.
